Texas Gulf Coast Saltwater Fishing Guide.

I'm Captain Kim Goulden, lifelong Texas Gulf Coast angler. I specialize in nearshore and inshore targets with artificial lures. I've guided anglers of all levels — from first-time youth casters to seasoned trophy hunters — across Port O'Connor, Port Mansfield, and middle Texas coast.

I'm a bimonthly columnist for Texas Fish & Game Magazine, a weekly guest on The Outdoor Show radio, and the host of women's coastal retreats and fishing clinics. My approach is simple: calm, safe, and adventure-filled experiences on the water that leave lasting stories and stronger anglers.

WOMEN'S RETREATS & YOUTH EDUCATION

The Pursuit: South Texas Giants (Women's Edition)

Every year, I lead all-women retreats designed to combine five-star accommodations, private-chef dining, and serious fishing. These experiences empower women to step into wade fishing with artificial lures and chase trophy trout with confidence. Retreats sell out quickly and bring together anglers from across the U.S. who are eager to connect with brands that elevate their experience both on and off the water.

Artificial Lure Clinics & Education

I teach the fundamentals of lure fishing, reading water, and building confidence. These sessions are often held in collaboration with local & national brands creating meaningful brand touchpoints with future anglers.

Value for Partners

- ✓ **DIRECT ACCESS TO A MOTIVATED MALE & FEMALE ANGLING AUDIENCE**
- ✓ **BRAND INTEGRATION INTO EXCLUSIVE RETREAT EXPERIENCES**
- ✓ **OPPORTUNITY TO SUPPORT YOUTH EDUCATION IN FISHING & CONSERVATION**
- ✓ **SOCIAL & PRINT COVERAGE FROM EVENTS (PHOTOS, VIDEO REELS, TESTIMONIALS)**
